TWIST massage

Melt away tension and fatigue with the soothing effects of the all new Twist Massage Pillow. The Twist's unique ability to custom shape to your body means that you can target muscle groups like never before! Wrap around your neck to relieve stress and relax tense muscles. Slip it around your waist to energize and soothe muscles in your lower back. Or shape it over your shoulder to alleviate muscle strain. The Twist delivers a relaxing massage at home, in the car, on the plane, anywhere you go because it's battery operated and completely portable. Now you can enjoy the benefits of soothing massage anytime, anywhere, like never before. So sit back and enjoy this new "twist" on comfort and relaxation.
