THE SECRET IS ON THE INSIDE!

The Contour Secret Pillow combines fiberfill comfort with gentle orthopedic support. It's soft and cool on the outside, with a plush layer of fiberfill for relaxing comfort breathability. BUT, there's a secret inside! The world famous Contour inner blue core provides gentle orthopedic support for your neck, shoulders and back. It helps relieve stress on tired muscles and joints, so you wake up rested and refreshed!

A regular pillow goes flat, straining your muscles, neck and back.

The Contour Secret pillow cradles your head and shoulders. It supports the natural alignment of your spine to improve the quality of your sleep.
