

# CONTOUR LEG PILLOW

Inner core holds its shape to provide stable support

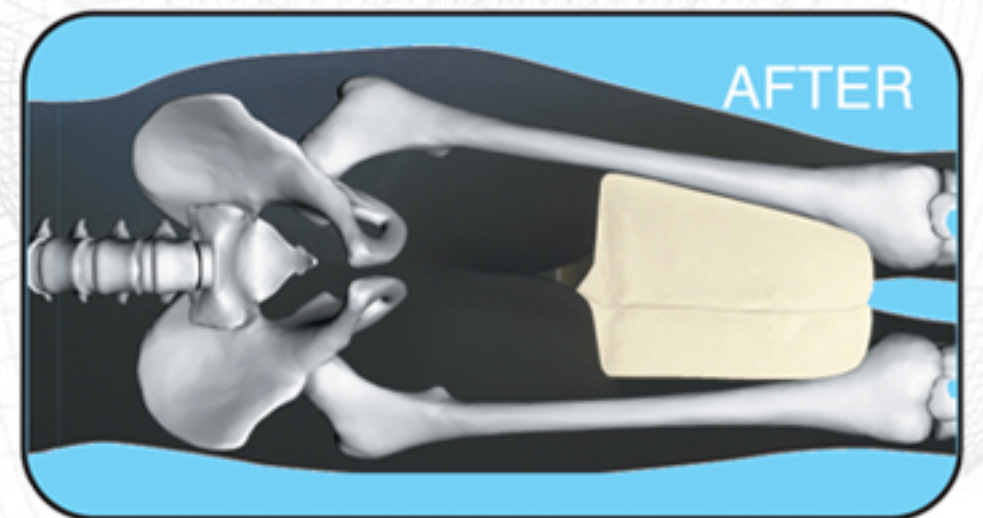

- Helps prevent back issues
- Ideal for side sleepers
- Stabilizes pelvis and hips
- Restores spine alignment
- Cushions knees

Gel memory foam stays cool and molds to fit knees for custom support

No support between the legs can put a strain on the lower back, hips and knees

The Cool Touch Leg Pillow helps restore natural alignment to relax back muscles and soothe hips, knees and joints
