

BACKMAX[®]

The Complete Back Support System

Carry Case Instructions

1. STEP ONE

Lay your BackMax out on the floor in its standard position.

4. STEP FOUR

Place the black cover over the 3 pieces with the logo on the side.

2. STEP TWO

Rest the middle wedge and foot wedge on the back side of the back wedge piece.

5. STEP FIVE

Once the unit is covered, flip the unit over and place the pillow in the bag opposite the side of the foot pillow.

3. STEP THREE

Fold the foot piece over so it touches the side of the back wedge.

6. STEP SIX

Zip up the bag being careful as to not pinch the cover in the zipper teeth.
